

## VISE Laboratory Rules

February 27, 2007

Contact Numbers:

Prof. Allebach 765/494-3535

Prof. Bouman 765/494-0340

Prof. Delp 765/494-1740

The following rules should be observed at all times:

1. Use the laboratory responsibly at all times, and be considerate of others who are using it.
2. Students are not authorized to reboot VISE computers.
3. VISE printers are to be used only for VISE related activities. Unauthorized use of printers will result in loss of laboratory access.
4. No drinking, eating or smoking in the lab.
5. Do not write on tables or computers.
6. Do not adjust or calibrate equipment.
7. Do not leave the screens locked out for any extended period of time.
8. Policy for background jobs:
  - (a) All background jobs must be “niced”. Do this using the command  
`nice mycommand &`
  - (b) Each student may only run 1 background job per machine.
  - (c) Each student may only run background jobs on a maximum of 4 machines.
9. Do not use TV or VCR equipment without permission of Prof. Delp.
10. Please report abuses to Prof. Allebach 43535 or Prof. Bouman 40340.
